## Model of Y Chart

### Y Chart

Y charts can be used to explore feelings and issues associated with characters or themes within a text. Use the photocopy master PM 1 on page 74. Students write the issue or feeling in the centre, and ideas are then recorded under the headings of 'Feels like', 'Looks like, and 'Sounds like'.

#### Student Outcomes

- x Deepening understandings
  - of feelings or issues
- x Exploring vocabulary

frightened rejected mad embarrassed powerless Feels like harassmen ŧ Looks like Sounds like taking people's things following people bulling fighting

name-

bad language shouting 'Give me

calling put-

downs

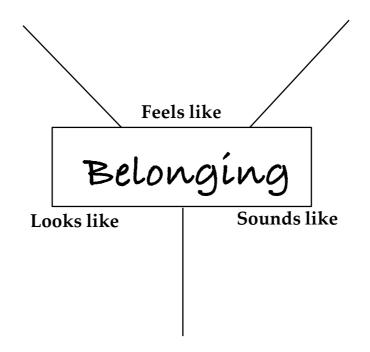

'Get her!' 'H you don't...'

that!'

## Your name:

Activity 6

# **Y** Chart

Instead of *Belonging* you could use another term such as: x *Excluded* x *Included*
